Celebrate the Journey: The Hymns of Emma Lou Diemer

Celebrate the Journey is the first collection of hymns by noted American composer Emma Lou Diemer. Throughout her distinguished career as a composer, Diemer has been highly active in church music and has composed a number of hymns for various commissions and the churches she has served. These have appeared in such hymnals as *The New Century Hymnal*, *The Presbyterian Hymnal*, and *Ecumenical Praise*. For the first time, Diemer's hymns are now brought together in a single volume. The range of styles, texts, and potential uses is vast and provides much new material for today's worship.
